of the lands were consulted before they were taken up; nor were they acquired under the Land Acqn. Regn. But the owners only pray for the proportionate decrease in the assessment. The extents taken up being small, & there being no objection on the part of the owners, enquiry as to how they were acquired does not appear necessary. Draft sanctioning the alienation is submitted for approval.

To J. P. Madhawa Rao Esquire B.A. B.L.C.
Revenue Commissioner
in Mysore.

Sir,

I have the honour to submit herewith an alienation statement in respect of 16 guntas of land taken up for extending the bund and raising the waste weir of the Pagate Koppa tank in the Kinnisi Sub Taluk. The owners have agreed to give up their lands without claiming any compensation if the proportionate assessment on the portions taken up be permanently deducted from the amount leviable on the whole Survey Number to which it belongs. I therefore request that sanction may be kindly accorded to the alienation applied for.
